

Do you want to stay safe while injecting drugs alone?

Our BuddyUp app offers remote,
confidential support and will send
help in a crisis.

It could save your life.

CRANSTOUN
Empowering People, Empowering Change

Download the app and connect with us when you're about to use. Our volunteers will make sure you're okay. And if you aren't will send help, no questions asked.

BuddyUp volunteers are trained to listen and to protect your privacy.
